BEVARIN™ COMPLEX

BEVARIN™ Complex (among a myriad of health benefits) has shown in clinical studies to improve follicles and thicken hair in a natural and effective way. It is derived from an ancient landrace hemp strain.

BE LABS' proprietary extraction process achieves the highest naturally-occurring Cannabidivarin (CBDV) & Tetrahydrocannabivarin (THCV) profile of any cannabis oil on the market.

BE LABS, makers of CBD LUXE, Alpha Varin, ZVARIN+ and more, is a nutraceutical company with a passion for using plant-based science to improve health and wellness. BE LABS Accelerator is our Private Label Program, specializing in partnering with clients to develop and market brands worldwide.
